Contract No. FL-3011
Amendment No. 11

NOV 9 1959

Westinghouse Electric Corporation
Baltimore, Maryland

Gentlemen:

1. This document constitutes Amendment No. 11 to Contract No. FL-3011, dated 27 March 1956, between Westinghouse Electric Corporation, Baltimore, Maryland, and the United States of America.

2. Amendment No. 10 established the final contract price for full performance of Contract No. FL-3011. Subsequent to negotiations of the final price it has been determined that certain items were not delivered and are not required by the Government. Also the final price for Appendix II, Item 1, is increased by \$1,800.00 the amount of an advance made by the Government to Contractor's employees. The Contractor's final claim was credited by this amount thereby not reflecting the true cost of the service performed.

3. In view of the above the following items shown in (a) are cancelled from the contract and the final redetermined price for each item including the \$1,800.00 addition mentioned in Paragraph 2, is accordingly reflected in (b) below:
